

The 34th International Society for Business Innovation and Technology Management Conference & 10th Chinese Institute of Innovation Development Management

August 08th -11th, 2025
Grand Mirage Hotel, Bali, Indonesia
Call for Papers

Theme "Business Innovation and Sustainable Management for Future"

www.isbitm.com

The ISBITM conference aims to provide a forum for the exchange of ideas on the latest international business innovation developments in the field of management among researchers and practitioners in universities and industries, and to seek opportunities for collaboration among the participants. The conference is expected to foster networking, collaboration and joint effort among the conference participants to advance the theory and practice as well as to identify major trends in Business Innovation and Circular Economy. The ISBITM conferences have been very successful in attracting participations from all over the world. Currently, there are European BITM, African BITM and Asia Pacific BITM for our regional development.
