

Faculty of Economics
THAMMASAT UNIVERSITY

The 31st International Society for Business Innovation and Technology Management Seminar & Conference

March 28th -31st, 2023

Izmir University of Economics, Faculty of Engineering, Department of Industrial Engineering / Hybrid

Announcement and Call for Papers

Theme "Environment and Well-Being in Sustainable Production & Consumption"

www.isbitm.org

The conference aims to provide a forum for the exchange of ideas on the latest international business innovation developments in the field of management among researchers and practitioners in universities and industries, and to seek opportunities for collaboration among the participants. The conference is also expected to foster networking, collaboration and joint effort among the conference participants to advance the theory and practice as well as to identify major trends in Innovation and Circular Economy. The ISBITM conferences have been very successful in attracting participations from all over the world. Currently, there are European BITM, African BITM and Asia Pacific BITM for our regional development.
